

**Dreamed up &
hand made by us**

Each individual Mitzi Bar is decorated by hand and for each flavour, we produce our chocolate fresh from bean to bar at our in-house manufactory. We sometimes also use fruit and nuts to make our chocs a little more colourful, mix them with pure cocoa butter and turn them into a yummy range of chocolates and nougats. Mitzi Blue, the chocolate disc full of ideas.

YOUR CHOCOLATE CLICK TO THE ONLINE SHOP

You will find more than 400 chocolate varieties of organic and fair-trade quality: www.zotter.at

ORGANIC AND FAIR, because we care about what happens to the people and the environment.

We are a certified organic company and follow the 10 principles of fair trade according to the WFTO (World Fair Trade Organisation).
